

Caring for the community since 1970!

REFLECTIONS OF FIFTY YEARS

Dress codes change ... but compassion never goes out of style!

This photo appeared in the NH Star on June 11, 1975 showing a homemaker health aide from 'Kearsarge Visiting Nurse Association' (now Lake Sunapee Region VNA & Hospice) assisting a community member who had recently been discharged from New London Hospital.

What else was different in the 1970's?

- In **1972** staff drove **11,800** miles to care for patients...in **2019** that number was **619,713**
- In **1972** a total of **390** visits were made to provide skilled nursing care...today that number is well over **35,000** visits
- In **1975** charitable giving levels for the annual fund were **\$1, \$5** and **\$10**...and a **\$100** donation made you a "life member"
