

SUMMER PARTY UPDATE

As the summer weather and local event season heat up, Lake Sunapee VNA has decided to take a break from having a summer party this year to focus on some other projects and ongoing donor outreach. We thank everyone who has attended and supported the parties...we'll be back next year! ***But take note*** ... we will be holding a very special event in November to celebrate ***Hospice Month***, planning for which has already begun.

Stay tuned ... and stay well!
